Ephesians 5:22-33

Discussion Questions

The Essentials

- 1) What does 'to submit' mean? (Hopefully we remember from last week!)
- 2) What do these instructions to wives and husbands tell us about marriage?
- 3) What might help wives to submit to their husbands?
- 4) What can men learn about leading from how Jesus led?
- 5) How is Jesus our model in submitting and leading?

Going Deeper

- 6) According to our text why would it be so harmful to a man if he neglects or ignores his wife?
- 7) How might wives and husbands break the cycle of acting/reacting unlovingly and disrespectfully to one another?

Memory Verse: "each one of you also must love his wife as he loves himself, and the wife must respect her husband." Ephesians 5:33

Prayer Point: Please pray for the marriages in our church. Pray for the Lord's protection over them. Pray for oneness in these marriages.
